Dean Nance is an Accident Reconstruction Expert with Dean Nance and Associates, in New Waverly, Texas. Mr. Nance has been the owner of Dean Nance and Associates, LLC since 2008.

Mr. Nance graduated from Lamar University in Beaumont, Texas in 1994 with a Bachelor of Science in Criminal Justice. Mr. Nance served as a peace officer and trooper for the Texas Department of Public Safety ("DPS") from 2001 until 2008. Since 2004, he has held a Master Peace Officer Certificate from the Texas Commission on Law Enforcement Standards and Education. Mr. Nance is certified by the Texas Department of Public Safety as a Level VI accident reconstructionist. Overall, Mr. Nance worked as a law enforcement professional and in the private sector for 30 years.

Since 1995, Mr. Nance has investigated, assisted with, consulted on or reconstructed over three thousand (3,000) motor vehicle crashes. He was previously a Sergeant over the Department of Public Safety's District Crash Reconstruction Team. While with the Texas DPS, Mr. Nance received training in accident reconstruction, was on accident reconstruction teams and was an instructor for accident reconstruction. His opinions related to accident reconstruction have been admitted into trials in both state and federal courts.

Mr. Nance's education and training background gives him a unique experience in looking at evidence with passenger vehicles, commercial vehicles, motorcycles, roadway evidence, ACM evidence, and ECM evidence.

Mr. Nance is a member of the Texas Associates of Accident Reconstruction, the International Association of Forensic and Security Metrology, Crash Forum Information Daily Digest, and receives the Accident Reconstruction Journal.
