Katherine E. Harvey-Lee focuses her practice on complex commercial transportation litigation involving catastrophic personal injury and wrongful death. She has 20 years of experience handling difficult cases, including mass disasters, truck and bus crashes, wrongful death and spinal cord and traumatic brain injury cases. She is one of only three California attorneys board certified by the National Board of Trial Advocacy in Truck Accident Law. She is an Executive Officer for the Academy of Truck Accident Attorneys and She is a member of the American Association for Justice's (AAJ) Trucking Litigation Group and past chair of the AAJ Bus Litigation Group. She sits on the Executive Board for AAJ's TBI Litigation Group. She has been recognized by Super Lawyers in California every year since 2014 and by Best Lawyers in America[®] every year since 2013.

Kate is also a mother and a zealous safety advocate, working with grass roots organizations and trial lawyer associations to further legislation to make trucks, buses and our roadways safer for everyone.
