Steven M. Gursten is recognized as one of the nation's top attorneys handling serious auto accident injury and wrongful death cases. He is head of Michigan Auto Law, and has received the top-reported jury verdict or settlement for a car or truck accident in seven of the past 12 years. Steve is the current president of the Belli Society, immediate past-chair of the AAJ Traumatic Brain Injury Group, a past chair of the AAJ Truck Litigation Group, and a past-president of the Motor Vehicle Trial Lawyers Association. Steve lectures frequently at legal seminars around the country on litigating motor vehicle accident cases, trial advocacy, traumatic brain injury, and maximizing settlements.
